

Leadership Compass: Leading yourself, your leaders, your peers, and your team

Leading Yourself: The most important person to lead is yourself. Train yourself to be godly and work out your own salvation with fear and trembling.

Leading Up: Communicate. Seek to understand and be understood.

Leading Laterally: Our vision is always bigger than one team can accomplish so serving those you serve alongside is essential.

Leading your team: The role of a ministry leader is to equip all of God's people for serving.
